

OBJECT ID	F2013.79
OBJECT NAME	Calendar
MATERIAL	Wood
ACCESS POINTS	bookshelves calendar encyclopedias

OBJECT DESCRIPTION

Miniature souvenir bookshelf with a paper calendar attached at the bottom. There are three shelves which contain various small books with greek titles. Books cannot be removed from shelves. The third shelf contains all of the same black books, likely represent encyclopedias. Underneath these shelves is a paper calendar. Pages can be ripped off in order to reveal the next day on the calendar. The calendar is in Greek as well. The entire thing is made of wood except for the calendar.

ORIGIN

Likely made for children.
