ORIGIN

The mission of the AHEPA Family is to promote Hellenism, Education, Philanthropy, Civic Responsibility, and Family and Individual Excellence.

Hellenism

An important component of AHEPA's mission is to create an awareness of the principles of Hellenism to society. These principles include a commitment to humanity, freedom, and democracy. The preservation and promotion of these ideals is where AHEPA has, and always will be, deeply committed.

AHEPA educates the community on these matters through symposia, forums, and conferences.
