

OBJECT ID	F2014.27
OBJECT NAME	Trophy
DATE CREATED	1963
MATERIAL	Metal; Plastic; Wood
ACCESS POINTS	awards Sports trophy Volleyball

#### OBJECT DESCRIPTION

This is a small trophy won for volleyball. The base is square with a flat platform surface. The front of the base is slightly sloped with a removable metal plaque that slides out. The plaque indicates the trophy was won in 1963. The figure on top of the platform is gold in color and hold a ball in his left hand. His right hand is bent backwards in a swinging motion. He is preparing to strike the ball.
