

OBJECT ID	F2014.128
OBJECT NAME	Statue
ACCESS POINTS	bronze jar paddle paint Plaster relief statue wheel Woman

OBJECT DESCRIPTION

A bronze painted plaster decorative relief statue of a woman in robes reminiscent of ancient Greece. She is facing to her right and looking down so that the viewer can see that her hair is in a bun. She is holding a long stick which is attached to a paddle or a jar and there is a wheel like object at her feet, where she is standing on a platform that comes out from the backing
