MEDIUM	Paint
MATERIAL	Plastic
ACCESS POINTS	Pink Purple red Toy Wire Yellow

OBJECT DESCRIPTION

Femal doll with dark brown hair, pulled up into a bun with yellow ribbon intertwined in it. Her head is covered with a lace vail with a single flat button on the top of her head. The top portion of the dress is red with a bronze embroiderment on the neckline as well as four coins laying across the chest. She has on a lace apron with yello, pink and orange details and one green and one orange bow. The skirt is a dark purple and at the hem there is a yellow, pink and white stitched design. Her body and legs are made of a hard material wrapped tightly in fabric, the top portion is a softer cotton material. Her arms are also fabric and wire,but unaturally short and do not go past the waist.
