OBJECT NAME	Headdress
OBJECT ENTITIES	Pefenis, Sandra (is related to) Talaganis, George (is related to)
ACCESS POINTS	coin gold red Ribbon Silk

OBJECT DESCRIPTION

Silk headpiece. There is one larger piece of silk that would sit in the top of the head and lay around the head. There a red ribbon that would set over the forehead and loop around the head. In the center of the ribbon is a five inch gold band which has nine gold coins coming from it. They are attached but thin wires. Few very small stains here and there.

ORIGIN

Belonged to Sandra Pefenis, who has passed, but it was her wish to have the items donated to carry on the Greek heritage. Items were donated but her cousin George Talaganis on her behalf.
