OBJECT DESCRIPTION

A rectangular cardboard, velvet and metal honorary plaque. The backing is cardboard, and then a there is a piece of cardboard covered in dark blue velvet that has a brassy metal plaque engraved in Greek.

The greek roughly translates to being from his hometown Archanon for his contribution to the sciences and his role in the National Resistance.

ORIGIN

An honorary distinction to Helias Doundoulakis from his Greek hometown. Helias was a scientist and involved in the Cretan resistance.
