OBJECT DESCRIPTION

A sticker that has been placed over a pin backed with metal. In blue and white reads "Elect Konstantelos Alderman 39th Ward" and shows a blue skyline of Chicago.

ORIGIN

Demetri "Jim" Konstantelos was a former administrative aide to former Ald. Solomon Gutstein from the neighboring 40th Ward.

He won 17 percent of the vote when he ran against the elder Laurino in 1991.

Voters were advised to turn to Konstantelos, a sales manager and veteran member of the Chicago Commission on Human Relations. His volunteer efforts on community policing, a local library and a neighborhood association speak to his impressive commitment.
