ACCESS POINTS	Embroidery

OBJECT DESCRIPTION

Beige, rectangular piece of fabric with embroidery. The design is on two ends of the fabric. The design consists of four sections of flowers. Each section contains two cream/beige fan shaped flowers with a thick gold stem, and blue and white bulbs. A section of the stem is blue and cream horseshoe shapes spread off of them. At the very bottom towards the end of the fabric is a geometric patterned border. The border goes from blue, to cream, to beige, back to blue. The border looks like a thick horizontal line with triangles sitting on top of it.
