ACCESS POINTS	Napkin

OBJECT DESCRIPTION

White square napkin with cutwork designs in the corners. This design consists of a big flower in the corner, with seven circles in its center, except one flower which has six. There is a leaf on either side, which touches the tips with the leaf of the flower in the corner next to it. Each flower has a "stem" in the form of a piece of narrow rectangular cloth that wasn't cut out and goes from the flower to the corner. There is a small cloth border around the entire napkin. One flower has a cutwork circle above its design. The thread is a tan color.

ORIGIN

Erasmia Economou married Constantine Theodoropoulos on October 24, 1926, at the Assumption Greek Orthodox Church in Chicago.
