OBJECT NAME Scale

OBJECT DESCRIPTION

Scale used in the Pan Hellenic Pastry Shop. The scale was manufactured in Troy, Ohio. It was one cent values, and two cent values. There is a yellow sticker on the side that says, in Greek, "Find us in the Yellow Pages".

When Chicago put out a law around 2000, shops were required to switch to digital scales and this one became obsolete. They kept it in the shop until it closed in 2017.
