#### OBJECT DESCRIPTION

A 12in long silver dagger. The handle is textured. At the base of the blade 'The F-S Fighting Sword' is etched on the front, which stands for Fairbairn–Sykes, and 'Wilkinson Sword, London' on the back. The F-S style is a double-edged knife developed by William Ewart Fairbairn and Eric Anthony Sykes in Shanghai.

#### ORIGIN

Wilkinson Sword Company, founded in London 1772 by Henry Nock.
