OBJECT NAME	Thimble
DATE CREATED	1904 – 1967
MATERIAL	Metal
OBJECT ENTITIES	Harrison, Joann (is related to)
ACCESS POINTS	clothes manufacturing needlework Sew sewing Textiles Thimble

OBJECT DESCRIPTION
A small metal thimble. There are small divets on the top and the sides are decorated with three panels of blue flowers and red petals at the bottom.

ORIGIN
This thimble was made, and used, in Sparta, Greece. The donor received it as a gift from her boyfriend after he visited his parent's home near Sparta in March of 1998.
