OBJECT DESCRIPTION
Tan dress with black trim. There is a multicolored pattern at the base of the dress made of blue, red, green, yellow, and black thread.

ORIGIN
The items in this donation were purchased from different antique shops in the Plaka in Athens, Greece between 1969-1971. The donor was in Athens working on the Indiana University excavations at Porto Cheli. All of the items are handmade out of wool, cotton, and embroidery thread.
