OBJECT DESCRIPTION
 The old newspaper page features an article typed with black ink, which has been collaged onto a page with other clippings to create a book. The article, authored by English Norman, is titled "Modern Greece Possesses More Than Old Temples And Ruined Shrines, Says Young Woman of Athens." The article is divided into eight paragraphs and split into three columns. The top and center of the second and third columns, left to right, are small markings or holes.

CITATION
