OBJECT DESCRIPTION

A newspaper clipping of an article typed with black ink and written in English is collaged onto a manila page and other clippings to create a book. The article is small, composed of three paragraphs, and has a damaged line border along the edges. At the top of the clipping, printed in black lettering, are the words "(Continued on Page Six)," underneath the text is the article's title, which reads, "Many Come From Out of Town For Grecian Exhibit." Below the article's title is an additional text titled "Pictures, Photographs and Embroidery Draws Crowds to Campus." The article and manila page exhibit tearing damage along the bottom edges, resulting in a portion of the text being gone.
