#### OBJECT DESCRIPTION

A black and white photograph depicting many people standing around an object that is on the right side of a rural road. The object is connected to a tractor (?). There is a mountain and a tree in the background.

#### ORIGIN

From donor: Near the rice mill of Etolikon on the way to Agrinion. The stalled tractor (used in the rice fields of the area) shows the width of the road. All traffic was blocked. (Most of the paved roads of Greece are this width). We had to wait until the tractor was fixed by the agruing operators before our station waggon could proceed. It looked as though we were to wait long, but the operators did a quick job.
