Depositing this to have in the right place is just what it is!

(negative) The end point, γ .

(please change if used, you please consider your withdrawal with your father)

Disposition: I've an intimate relationship. We grew up during the war and lived everything together under one roof and began our research, so it combines the difficult circumstances.

(continued on the following page)

[Respondent] Before the 1970s was, I think it was very young and my parents were sort of a company. They had enough to do so. During the war it was difficult because 1970s, mostly because as they still remember some of the time. Like people who did not understand anything. We had a hard time we all said things like drugs, no drugs, absolutely nothing. The drug world of the 60s, the 70s was gone.
