#### OBJECT DESCRIPTION

Black and white photograph of the interior of The Annunciation Cathedral. This photo was taken from the center aisle and features the altar area. The iconostas, or wall made up of large icons, creates the backdrop for this photo. The Epitaphios, a beautifully carved bier topped with a gazebo-like canopy, is featured front and center. It is adorned with a magnificently large spray of fresh flowers and a cross. Rows of wooden pews are visible on the left and right side of the bottom of the photo.
