ACCESS POINTS

Starch Room, candy shops, The Pallas Candy Co, high-grade confections

OBJECT DESCRIPTION

A black and white photo mounted onto a cardboard backing. The cardboard backing is grey with brownish lines. There are two lines, the outside one is thicker and the inside one is thinner. The photograph depicts a machine in the middle of a room. Along the edges of the room there are counters which have

wooden stands on them. On the back wall there is a window. In the middle of the picture is a hanging string, probably from a light.

ORIGIN

This photograph was donated by Constantinos Lukis. The pictures are from his father's business, The Pallas Candy Company. This picture shows the starch room at the Pallas Candy Company's factory, where all centers for high-grade confections are molded.
