OBJECT DESCRIPTION

A copy of a faded black and white portrait of a man and a woman sitting outside of a brick building. The picture is very faded, and so it is hard to see. The man and woman both wear dark clothing, and both have their legs crossed.

ORIGIN

Angeline Eliakopoulos donated these photographs. They are replications of photographs which her mother brought from Greece in the 1930's. This photograph is of Nikalos Eliakopoulos and Evridiki Demopoulos Eliakopoulos about the time of their marriage in 1917. This picture was taken in front of Nikolaos' home in Loutro, Messenia.
