OBJECT DESCRIPTION

A black and white portrait of a woman and a very young girl. The young girl has dark hair and is wearing it short with bangs and soft curls at the bottom. She is wearing a light colored jacket dress, white stockings, and black Victorian button up shoes. Both of her hands are in her lap, gently holding onto what looks like a child's rattle. She is sitting on boxes next to the woman who has her arm wrapped around her shoulder. The woman is wearing a black jacket with a light colored collar and a long black skirt. She is wearing a coordinating black cloche hat with a decorative feather on the side as well. The picture fades out around the edges.
