#### OBJECT DESCRIPTION

Green napkin with peach undertones. There is a green and peach border around the edges. In the corner, there are two small embroidered flowers. One is tan with a brown center while the other is yellow with a brown center. Both have leaves branching off of them. The stitches are in a grid like pattern and are held in place by pink threads.

#### ORIGIN

This was a gift from Stella Colovu of Canea, Crete. The napkin has traditional Greek embroidery on it in the form of a flower.
