OBJECT DESCRIPTION

A women's small ivory suede mid-heel wedding pump. One of a pair. The outer part and heel are both suede, will the inside and insole are made of non-suede leather. The sole is made of dark leather, which is cracked with age. There are five nails in the bottom of the heel. There is a seam at the back of the shoe. There are two white spots near the toe of the insole.

ORIGIN

These shoes were donated by Ethel Kotsovos. They were apparently worn by her mother, Sophia Katsoulis, for Sophia's wedding on February 23, 1930.
