OBJECT DESCRIPTION

This is a duffel bag made of water repellent olive drab canvas.

The bag appears to be at least fifteen inches in diameter, thirty inches tall and cylindrical in shape. The material is uniform in color and crinkled all over as if it were in storage for a long time.

At the top of the bag there is a faded stamp that reads " Bag, waterproof, clothing 00107. DSA1 70-0-0553. 8469-261-609. Gibraltar Fabrics , Inc. 026." A drab olive-green draw-string cord is looped on the side. About half-way down the side of the bag, there is a small jagged rip or tear.

ORIGIN

Donated by Bill Vranas. Used by the donor during the Vietnam War.
