#### OBJECT DESCRIPTION

Red wool fez with a fold around the bottom of the fez. Attached to the top of the fez is a strand of braided gold thread. At the end of the gold thread there are blue tassels. The hat part of the fez seems to be hand made.

#### ORIGIN

Donated by Constance Bacil. The fez was most likely part of a Evzone costume. The fez that was worn with costumes and it was common to have a long thread and tassel. The costume was worn as a military uniform but now it is worn as a folk costume.
