ORIGIN

The box meant for candies comes from a store named "Cupids Candies", founded by Paul Stefanos in 1936. The store produces and sells chocolates, toffees, popcorn, and the like at their main base in Chicago, which has expanded and moved several times due to the demand for the company's products. The company also sells their products in local Chicagoland area stores such as Crate & Barrel, hospital gift shops, and floral shops.
