## OBJECT DESCRIPTION

Hamilton Beach ecru-colored milkshake mixer, model no. 940, with three blenders. Blender is conical in shape and has cord for electrical plug, though the

prong-end is missing. Three dials are at the top of the blender. It runs on 120 volts/350 watts.

---

#### ORIGIN

The milkshake blender comes from a store named "Cupids Candies", founded by Paul Stefanos in 1936. The store produces and sells chocolates, toffees, popcorn, milkshakes, and the like at their main base in Chicago, which has expanded and moved several times due to the demand for the company's products. The company also sells their products in local Chicagoland area stores such as Crate & Barrel, hospital gift shops, and floral shops.
