

Greece, January 2<sup>nd</sup>, 1958

Happy New Year, Ray dear! May all your hopes and  
wishes be fulfilled in this newborn 1958!

Two days ago I posted for you some offprint material.  
From the map you can see how the 2 communities were living  
close together <sup>all</sup> over the island for some 500 years! And now  
they are separated by propaganda hatred is cultivated in an un-  
believable degree by Athens and Don't ask. That Don't ask  
is now giving to the Turks all the belongings of 320,000  
Greek refugees, houses, furniture, cash, and so on. But  
clothes, portraits and the money in the banks, pretending that  
this booty belongs to the ENEMY - and that Americans  
14,000 men and Europeans to not protest, when you  
all the hypocrisy of such so called "honors" and "justice"  
that! But his promise to give him modern factories?  
Yes is it that Carter remembers the human rights only when  
dealing with the Communists and not when addressing the  
original Slaves of Greece?

But all this you certainly know better than I. The only  
thing maybe you do not realize yet is, that with the  
decline of the U.S.P. all of us, all Europe will be soon  
at her knees. She ~~is~~ <sup>will</sup> have to take  
a long and difficult road, to bring back some political or  
economic balance in our continent.

Forgive me Ray, this long appeal concerning our  
disaster.

Now, about my personal engagements.  
I met in Athens with some Turks who pretended to be  
really pro-Greek. I was almost ready to believe in their  
good faith. Then, all of a sudden, the wife of one of them
