

Greece, January 2<sup>nd</sup>, 1978

Happy New Year! May all your hopes and  
wishes be fulfilled in this newborn 1978!

Two days ago I posted for you some spirit material.  
From the map you can see how the 2 communities were being  
driven together over the island for some 500 years! And now  
they are separated by propaganda held in cultivated in an un-  
believable degree by Athens and Don't ask. That Don't ask  
is now going to the Turks all the belongings of 320,000  
Greek by assets, houses, furniture, earth, and so on. But  
what about the money in the bank, professing that  
this party belongs to the ENEMY - and that because  
17,000 men and women are not present, also you  
all the hypocrisy of our so called "honour" and justice  
that has been said about the Carter visit to the  
island? But his promise to give them modern factories?  
Yes is it that Carter remembers the human rights only when  
dealing with the Communists and not when addressing the  
original Greek of Greece?

But all this you certainly know better than I. The only  
thing maybe you do not realize yet is that with the  
defeat of the S. U.S.P. all of us, all Europe will be over  
at the knees. The situation in Greece will have to take  
a long and difficult road, to bring back some political or  
economic balance in our country.

Forget New Year, this long appeal concerning our  
situation.

Now, about my personal enquiries.  
I met in Athens with some Turks who pretended to be  
really pro-Greek. I was almost ready to believe in their  
good faith. Then, all of a sudden, the wife of one of them  
said
