

Cyprus, Nov 28, 1971

Makris (I'm sure there) is an extraordinary figure!

Dear Mrs. Skis,

I received your very interesting letter when in Cyprus, and was admiring how many interesting things you are accomplishing! My trip, a trip full of work and enjoyment. I only wish, all of us, in Cyprus, to stop over going to India, Pakistan, the wonderful Kathman, Laos, Cambodia, many to Egypt, Israel and Cyprus! All over the world the same brotherhood. God and receive people and helpful policies!

After Cyprus I was for 21 days in 2 hours, 2 days with my family as managed to be 3 days in Vancouver and then 3 days in Pittsburgh - he visited of course Texas and Florida and paid a visit to the kind of the balance when going to Texas - How than the things we can find all over these countries - wonderful opportunities people when not imperious by politics. Teachers when parents are needed to make hard something about them. But still think my money of the 1,500,000 plus from Asia - How the 200,000 plus outstretched from Constantinople - (ISTAMBUL) in 1955? When Dallas had sided the past government to remain neutral, this is the case of today too. Don't let Cyprus be given to the radicals! NATO affairs first -

We had very excellent with Nixon's policies - Without can be done as long as America stays behind our front and encourages her to explore us -

Please forgive my English, I wished to study it but I have no more time to do so.

your body health is beautiful - I'm sure all these wonderful and I'm sure that
 Bill's wishes, from since I found it
 What's yours
 (C.K.)
