#### OBJECT DESCRIPTION

Silver cruet. The cruet is in the shape of an egg with a scale like design. The top and the foot have grape like leaf vines. The stem of the cruet is the spout.

#### ORIGIN

Donated by Drs. Andreas and Vivian Kodros. This cruet was used as a religious object. It was used to hold holy water.

#### CITATION

Bottle, Holy Water, Kodros Collection, *National Hellenic Museum*, <https://collections.nationalhellenicmuseum.org/Detail/objects/>. Accessed 04/26/24.
