ACCESS POINTS

floral
 Table Runner

OBJECT DESCRIPTION

Long, off-white table runner with a floral lace design. The design has an oval shape in the middle with flowers. On either side, there are two shapes that look like butterflies. Each of the short sides has a scalloped edge. There is a floral design throughout the entire runner.

ORIGIN

This was made with hand-tatted lace.

This belonged to the donor's mother Koula (Lazou) Counelis who came to America to marry the donor's father, Antonio Counelis in Chicago Heights, IL. She was born in Karistos, Eubea, Greece. After Chicago Heights, her and her husband moved to Berwyn, IL, where she lived for 44 years and died at the age of 96. The linen was manufactured, while the cotton border was handmade.

Tatting is using a series of knots and loops to make the fabric more durable. It was made to imitate point lace.
