OBJECT DESCRIPTION

Paper letterhead, the letterhead consists of an image of the Parthenon as if it were on a plate, with a Greek key pattern bordering the edge. Below it is the name of the business written in an ancient Greek style font; below it is the nature of the business and the name of the owner. On the bottom of the paper there is what looks like an address that has been stamped on, and the one below it is crossed out with pen.

There seems to be text printed in the body of the paper, however it is incredibly faint to the point that it is illegible.
