Knitted baby cap with alternating white, blue and pink coloring. The chin of the cap is knitted in a curved pattern with a single string piece coming off of it for the tie.

ORIGIN

Crocheted and kintted by Theodora Prce herself in the early 1970's. She had left Greece in 1962 for graduate studies in England, after which she worked for a bit in the University of Sydney, and then migrated to America in 1967, to New York and later came to Chicago in 1968. She taught Greek art and Archaeology at the University of Chicago. When she was pregant with her first son she quit teaching and researching and did fulltime preperation for motherhood. This piece was finised before her sons birth.
