ACCESS POINTS	grater Metal nuts

OBJECT DESCRIPTION

Silver metal nut grater. On the front it says "Mouli Grater made in France". There is a small red wooden handle that grinds the nuts. There is a silver clamp that is what clamps on the nuts and pushes them onto the round grinder, which is controlled by the red handle.

ORIGIN

Donated by Nicholas and Antigone Zaverdas. The nut grater belonged to John and Janet Pappanduros. John and Janet came to America with their three children Gust, Steve, and Bessie from Greece in 1912.
