OBJECT DESCRIPTION

The front is a photo of a naked child sitting at a piano with a pacifier in her mouth. Her left hand is on the piano keys. Flowers are sitting on the keys to the child's right, with sheet music at the stand. The flowers and music are colored in. The back had a message written in Greek wishing a Happy Name's Day to Alexandra. The note also mentions that Alexandra looked tired in the photo she sent. It must be from the heat!
