OBJECT DESCRIPTION

The front depicts a girl in a green dress with a bundle of flowers in her hands. She is standing in front of an egg-shaped outline and a rabbit is peaking out from behind it with a decorated egg in its hands. The decorated egg is pink with a blue ribbon around it. At the top right corner is written, "Xristos Anesth" translating to "Christos Anesti" meaning Christ is risen, a saying exchanged on Orthodox Easter. On the back is a message written in Greek, most likely wishing the recipient a Happy Easter.
