OBJECT DESCRIPTION

The front is a scene at the water on a Greek island. There are many boats docked at the boardwalk and people sitting in the water. Houses are going up the hill in the background. This is most likely a tourist postcard. On the back is a message written in English that reads "Dear Thea, Beba, and Tess- Yesterday we attended the wedding- everything was just beautiful- We cruised the islands Hydra and Aegea- tomorrow Ed and I are leaving for Salonika- we are having lots of fun and rest- hope you're all well- regards from all. All my relatives wished you and Thea were here too. Love Jean." Sent to Michigan.
