ACCESS POINTS	Annunciation Cathedral Annunciation Greek Orthodox Cathedral cathedral Estey Organ Company organ pump organ

OBJECT DESCRIPTION
Antique pump organ, with sheet music holder, sixteen stops, ivory keys and a double foot pump.

ORIGIN
From Annunciation Cathedral, the first Greek Orthodox cathedral in Chicago.

Manufactured by Estey Organ Company in Brattleboro, VT. Estey Organ Company was founded in 1852 and became the largest manufacturer of organs in the United States. They also shipped hundreds of thousands of organs worldwide.

Annunciation Cathedral was established in 1892 and built in 1910. The building is modeled after the Byzantine-Renaissance style of architecture. The

church itself is built in the shape of a cross. It is the cathedral of the metropolis of Chicago.
