OBJECT DESCRIPTION

An oil painting by Andreas Kodros made in 1994. The top is a light blue sky and there are a few green hills around the middle of the picture. In front of the green hills on the left side are tan colored hills or rock. There is a small patch of green grass and shrubs between the tan hills and the large tree in front. The tree is brown with white to add more color and the tree is very large that it goes to the top of t he painting and goes to the middle of the painting with its branches. In the bottom left corner there are tan rocks and ground. On the right side there is some green grass between the green hills and rocks. The bottom right corner has large tan colored rocks.

ORIGIN

Dr.Andreas Kodros was born in Athienou, Cyprus and earned his medical degree at the University of Athens School of Medicine in 1952. He finished his residency in Otolaryngolgy at the University of Illinois and then went on to practice medicine at the Weiss Memorial Hospital, St. Joseph's Hospital, and the Children's Memorial Hospital until 1987. Dr.Kodros also studied art at the Pancyprian Gymnnasium in Nicosia, Cyprus. He mostly uses oils but also works with watercolors, acrylics, and airbrush. His art has been on exhibt at many places in Cyprus and the United States. He passed away in 2002 and his wife a year later.
