**Access Points**

Wine bottles

**Object Description**

Large wine storage bottle. The bottle itself is glass, surrounding the bottle is sisal cord that runs around the bottle top to bottom. Then the bottle is encased in a metal holder. There is a metal plaque attached to the metal holder with the letters "AN" painted in red.

**Origin**

Donated by Georgia Kotsiopoulos. The wine storage bottle was originally from Tripolis, Greece and is circa 1930-1950.
